Dislocated Worker Eligibility

WIA Dislocated Worker

The Workforce Investment Act (WIA) serves dislocated workers. WIA dislocated worker programs are designed to meet employer needs by helping job seekers upgrade skills, obtain employment, improve job retention, and increase earnings.

The WIA dislocated worker program offers employment and training programs for eligible workers who are unemployed through no fault of their own or have received an official layoff notice. The program also provides the following specialized reemployment services.

Rapid Response

Rapid Response services provide short-term early intervention and immediate assistance with layoffs and plant closures. Rapid Response provides early intervention assistance designed to transition workers to their next employment as soon as possible.

Rapid Reemployment Services

Rapid Reemployment Services (RRS) are geared toward unemployment insurance (UI) claimants identified as likely to exhaust benefits. Claimants are required to participate in reemployment services as a condition of UI eligibility.

Claimants who have been prioritized and referred to the Local Workforce Development Boards (Boards) shall be considered to have met the eligibility criteria for dislocated worker services under Category 1, outlined in the Rapid Reemployment Services Desk Reference.

Trade Adjustment Assistance

The TAA program provides additional benefits for dislocated workers of companies that are directly affected by increased imports or certain shifts of production to other countries. TAA petitions now trigger immediate provisions of *Rapid Response* and basic adjusted services available under WIA, facilitating coordinated planning and more rapid reemployment.

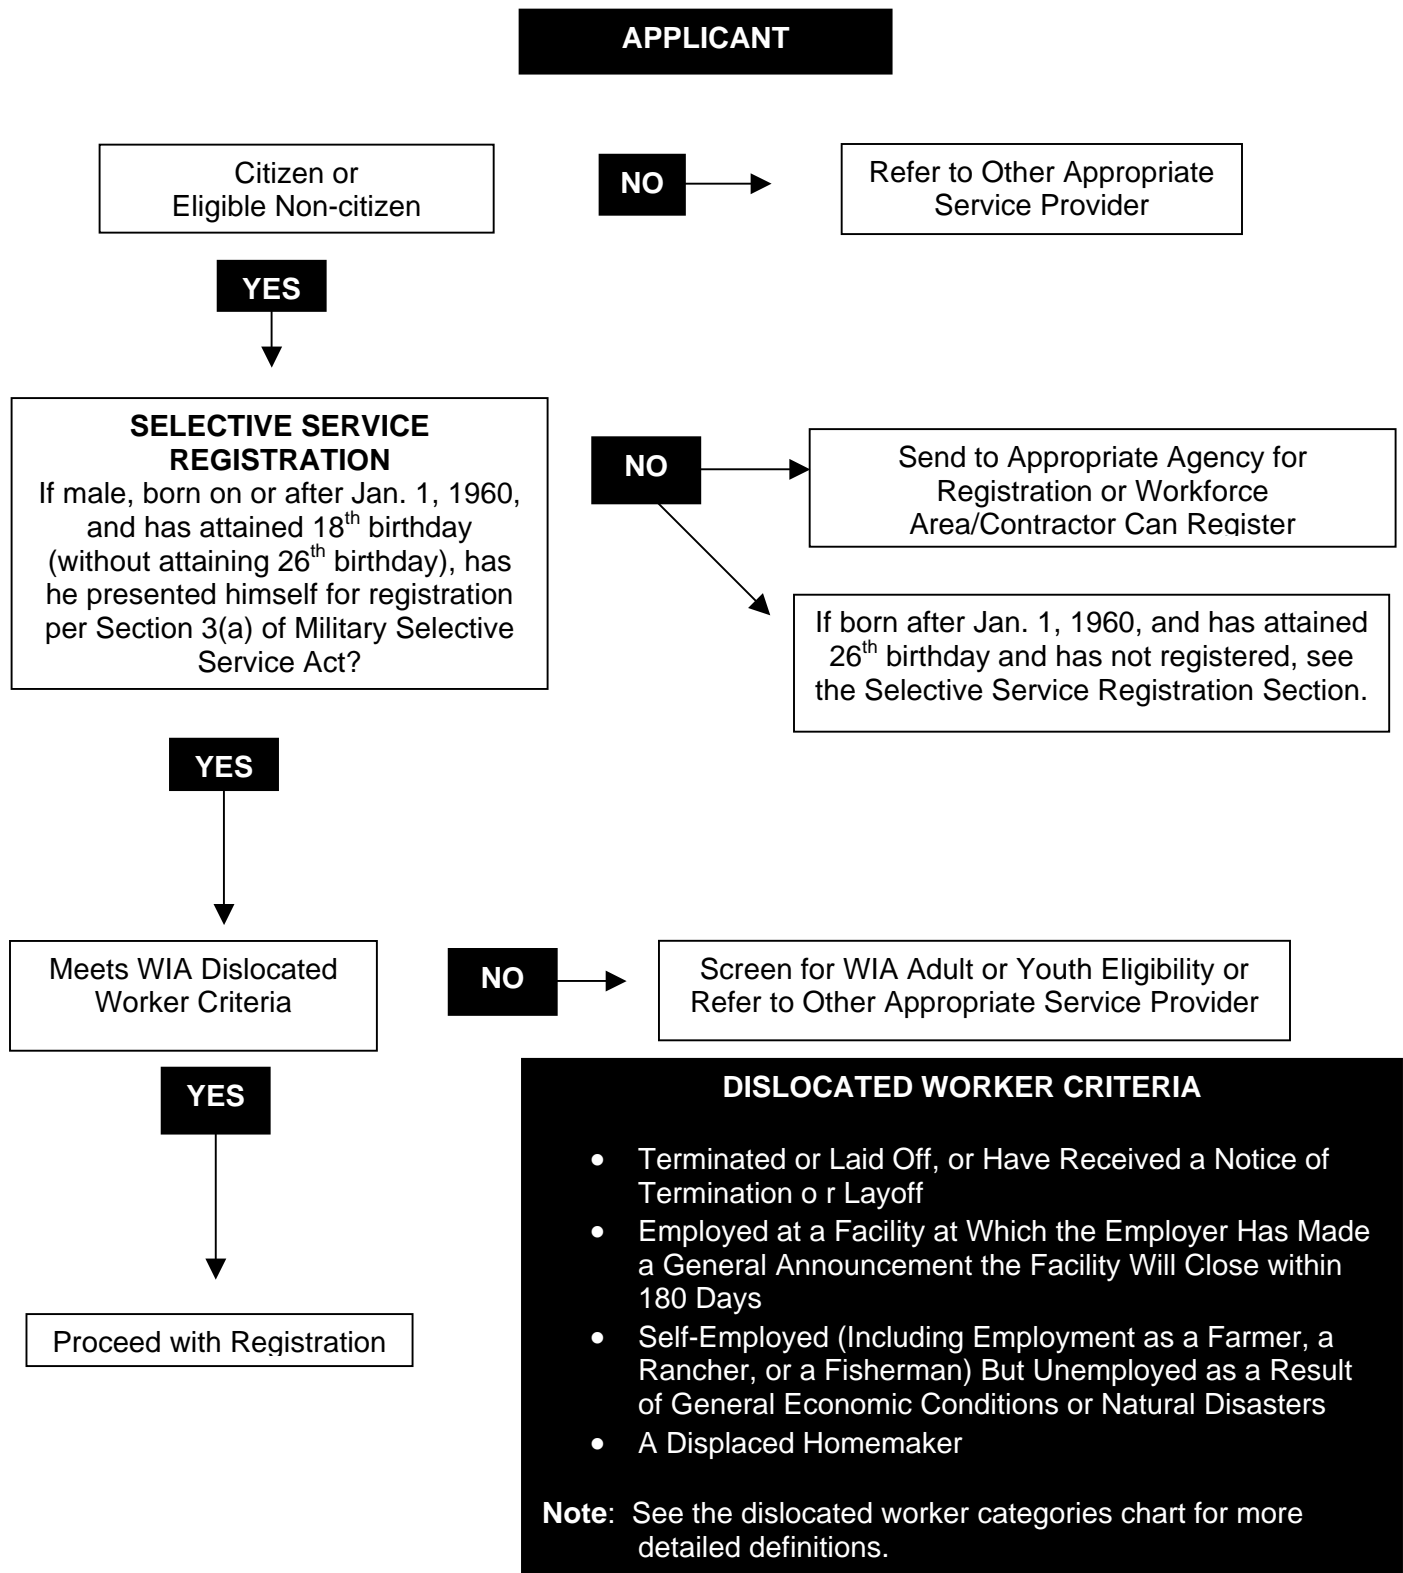

Trade-affected workers receive notification that their Trade petition has been approved. The notification instructs them to contact the local Virginia Employment Commission (VEC) for services. Making contact with the local VEC and providing a copy of the petition approval letter meets the Category 1 eligibility criteria for WIA dislocated workers.

This section provides information for determining eligibility for the dislocated worker program. See Section V for verification and documentation for WIA eligibility.
